Geva World – Child Safety Standards

Effective Date: November 7, 2026

Last Updated: November 7, 2026

Geva World is committed to maintaining a safe platform and has zero tolerance for child sexual abuse and exploitation (CSAE) or child sexual abuse material (CSAM).

These Child Safety Standards apply to the Geva World mobile application, website, services, users, and all content submitted, uploaded, or displayed through the Geva World platform.

1. Adults-Only Platform

Geva World is a matrimonial platform intended only for adults aged 18 years or older.

We do not allow minors to create accounts, use the platform, create matrimonial profiles, upload photographs, or communicate with users through Geva World. Accounts believed to belong to minors may be restricted or removed.

2. Zero Tolerance for Child Sexual Abuse and Exploitation

Geva World strictly prohibits any content, activity, behavior, communication, or material that exploits, abuses, sexualizes, endangers, or facilitates harm to children.

This includes, but is not limited to:

- Child sexual abuse material (CSAM).
- Sexual content involving minors.
- Sexualized images, videos, or depictions of minors.
- Grooming or attempting to establish contact with a child for sexual purposes.
- Soliciting, requesting, creating, sharing, storing, uploading, or distributing sexual content involving minors.
- Sextortion involving minors.
- Trafficking or exploitation of children.
- Seeking, advertising, arranging, or facilitating sexual contact with minors.
- Any attempt to promote, encourage, organize, or facilitate child sexual abuse or exploitation.
- Any content or activity that sexualizes, exploits, or endangers minors.

Geva World will take action against accounts, profiles, photographs, content, or users that violate these standards.

3. Prohibited Content

Users must not upload, create, share, display, distribute, promote, or otherwise make available content that involves or facilitates child sexual abuse or exploitation.

This prohibition applies to all user-generated content, including:

- Profile photographs.
- Profile information.
- Images and media.
- Text and messages.
- Biographical information.
- Contact information.
- Any other content submitted through Geva World.

Content reasonably believed to involve CSAE or CSAM is strictly prohibited.

4. Reporting Child Safety Concerns

Users can report inappropriate profiles, photographs, content, or safety concerns through the reporting or feedback options available within the Geva World application.

To report a concern, users should use the relevant profile or content reporting option and select the most appropriate reason, including child safety where available.

Users should not upload, send, download, store, or resend suspected CSAM in order to make a report. Instead, report the relevant profile, content location, or account through the available reporting mechanism.

Reports may also be sent to the Geva World Child Safety Point of Contact listed below.

We handle reports confidentially, subject to applicable law, platform safety requirements, and the need to protect users and children.

5. Review and Enforcement

When Geva World becomes aware of suspected CSAE or CSAM, we will review the available information and take appropriate action in accordance with these standards and applicable law.

Depending on the circumstances, action may include:

- Removing or restricting access to offending content.
- Suspending or permanently terminating relevant accounts.
- Restricting platform access.
- Preserving relevant information where legally required.
- Cooperating with authorized law-enforcement agencies or child-protection authorities.

- Reporting confirmed CSAM or illegal child-exploitation activity to relevant authorities where required by applicable law.

Geva World does not tolerate users or accounts that engage in, facilitate, promote, or attempt to facilitate child sexual abuse or exploitation.

6. User Profiles and Photographs

Geva World may allow users to create matrimonial profiles and upload profile photographs and profile information.

Users are responsible for ensuring that submitted content complies with these Child Safety Standards and all applicable laws.

Users must not use Geva World to:

- Create profiles involving minors or the exploitation of minors.
- Upload sexualized images of minors.
- Seek, solicit, advertise, or facilitate sexual contact with minors.
- Use another person's identity or photographs in connection with child exploitation.
- Exploit or endanger children in any manner.

Geva World reserves the right to review, restrict, remove, or take action against profiles and content that violate these standards.

7. Compliance with Child Safety Laws

Geva World is committed to complying with applicable child-safety laws and regulations.

Where required by law, Geva World will cooperate with authorized law-enforcement agencies and relevant authorities regarding suspected or confirmed child sexual abuse, exploitation, or CSAM.

Nothing in these standards limits Geva World's ability to take additional action where necessary to protect users, children, or comply with legal obligations.

8. Child Safety Point of Contact

Geva World has designated a point of contact for matters relating to child safety, CSAE, CSAM prevention, enforcement, and compliance.

Child Safety Contact: Tanaji Shinde
Role: Geva World Child Safety Point of Contact
Phone: +91-9689628156
Email: geva.world2612@gmail.com

This contact is responsible for receiving child-safety communications and coordinating appropriate action in accordance with Geva World policies and applicable law.

9. Immediate Danger

If a child is in immediate danger, users should contact local emergency services or local law-enforcement authorities immediately.

10. Changes to These Standards

Geva World may update these Child Safety Standards to reflect changes in services, legal requirements, safety practices, or applicable platform policies.

The latest version will be published on this page.
